### **BENEFIT FINANCIAL SERVICES GROUP (BFSG) NAMED ONE OF BARRON'S "TOP 100 INSTITUTIONAL CONSULTING TEAMS" FOR 2022**

IRVINE (April 16, 2022) – Benefit Financial Services Group (BFSG), a multi-faceted registered investment advisory firm serving both institutional and individual clients, is pleased to announce it has been ranked in Barron's "Top 100 Institutional Consulting Teams" for 2022. The Barron's listing can be seen here: [https://www.barrons.com/advisor/report/top-financial-advisors/institutional?mod=faranking\\_subnav](https://www.barrons.com/advisor/report/top-financial-advisors/institutional?mod=faranking_subnav)

"We realize that the retirement plan and institutional marketplace is constantly changing, and therefore keeping clients informed is of critical importance. Maintaining optimal client service is our top priority. We are proud that our team is raising the standards in the industry and our deep appreciation goes to our loyal clients and our dedicated professionals," said Darren Stewart, a Principal, and Senior Retirement Plan Consultant at BFSG.

This annual ranking is performed by Barron's. Registered Investment Advisors, Institutional Consultants, and Wealth Management Firms complete a questionnaire about their practice. Barron's verifies the data with the advisors' firms and with regulatory databases and then they apply their rankings formula to the data to generate a ranking. The formula features three major categories of calculations: (1) Assets (2) Revenue (3) Quality of practice. In each of those categories they do multiple subcalculations. Barron's measures the growth of advisors' practices and their client retention. They also consider a wide range of qualitative factors, including the advisors' experience, their advanced degrees and industry designations, the size, shape, and diversity of their teams, their charitable and philanthropic work and, of course, their compliance records.
