### **NAPA NAMES TINA SCHACKMAN TO TOP WOMEN ADVISORS LIST**

IRVINE (November 5, 2020) – Benefit Financial Services Group, a multi-faceted registered investment advisory firm serving both institutional and individual clients, is pleased to announce that Tina Schackman, CFA® has been named as a “All-Star” on the 2020 NAPA Top Women Advisors List. Nearly 500 women were nominated for the honor, which the National Association of Plan Advisors (NAPA) created in 2015, to acknowledge the growing number of women who are making significant contributions to the retirement industry. As in years past, nominees answered a series of quantitative and qualitative questions about their experience and practice, as well as their accomplishments, their contributions to the industry, the state of retirement plans, and in what way(s) they “give back.” The responses were reviewed anonymously by a panel of judges. Those who made the list were separated into three categories: Captains, All-Stars and Rising Stars. The complete list of the NAPA Top Women Advisors can be found at <https://www.napa-net.org/top-women-advisors-all-stars-2020>.
